**Recent Highlights:**

- Grand Champion Fleece Yass Show 2009 – 18 micron, 15.5 kg
- 2nd of 41 teams Bookham Wether Trial 2009 - cutting 6.3 kg of 17.2 micron wool with a value of \$52.55.
- Woolaroo blood team of John & Irene Beswick, "Euarra", Bathurst, won the Bathurst Wether Trial 2007, cutting 6.4 kilos of 18.7 micron with a 73% yield for a wool value of \$48.89 and a body weight of 52.6 kilos and carcass value of \$41.89.

**'96-'06 National Merino Bloodlines Comparison:**

• National Merino Bloodlines Comparison: of the 46 high accuracy bloodlines, Woolaroo ranked in top quarter of bloodlines for fibre diameter, clean fleece weight & gross margin per DSE.

**With the Individual Needs of Breeders in mind** the 2008 Woolaroo on-property sale will feature rams from two of Woolaroo's families:

**The Ringmaster family** has been developed using semen from Merryville fine & superfine rams following the purchase of 160 Merryville and 125 Auchen Dhu Superfine ewes,

**The Purple family** is a Manderlay/Merryville fine family. The goal is to produce large frame, heavy cutting sheep with a soft supple skin.

**James, Charles & Jack would be delighted to discuss flock breeding plans.**
