 W = Wurrock Syndicate.

With the Individual Needs of Breeders in mind the 2011 Woolaroo on-property sale will feature rams from two of Woolaroo's families:

The Ringmaster family has been developed using semen from Merryville fine & superfine rams following the purchase of 160 Merryville and 125 Auchen Dhu Superfine ewes,

The Purple family is a Manderlay/Merryville fine family. The goal is to produce large frame, heavy cutting sheep with a soft supple skin.

James, Charles & Jack Walker  
 would be delighted to  
 discuss your flock breeding plans.
